KEITH DAVIS is our new superintendent. He received his B.S. and Superintendent's License from Ball State and his M.S. from Butler. His teaching area major is in Business Ed. He has served several schools as a teacher, elementary principal, athletic director, assistant superintendent, and now as a superintendent. He has lived in Hancock County since 1961, so he is no stranger to the area. He says what he enjoys most about our school is the friendly atmosphere of the faculty and the students.

WALTER VANDENBARK is currently the President of the E.H. School Board. He lives northwest of Wilkinson on St. Road 234 and is a productive farmer in Brown Township. Walter is considered a respected citizen of Eastern Hancock's school district, a good neighbor, and a trustworthy friend. He graduated from Charlottesville High School. He helps support the students of the community by hiring them to work on h

RONALD "RONNIE" ROLAND, now serving his third year on the school board, is known for his good sense of humor and big heart. Ronnie can often be found around school looking for the lighter side of serious matters in his attempt to reduce tensions and better understand school matters. Employed as a Sales Representative for General Foods Corporation, Ronnie and his wife, Nancy, and children David and Julie, are life long residents of Blue River Township.

On May 4, 1974, MARCELLA FREEMAN was elected as the only female member of the Eastern Hancock School Board. That was three years ago. Now as she begins her fourth and final year, she still has the same enthusiasm as when

began. She acts on what she feels is right, but is never closed-minded to the thoughts and ideas of others. The last three years have not been easy, and the year to come will also be full of problems, but with her drive and determination she will do the job to the utmost of her ability.

JAMES CHERRY is a newly elected member of Eastern Hancock's School Board. He serves as second vice president. He is a well-respected farmer in Blue River Township and an active participant in public life in Hancock County. He is presently on the Board of Directors of Farm Bureau Co-Op and last year president of the Optimist Club in Greenfield. He has also been on the Board of Directors of Hancock County Farm Bureau. We appreciate having a school board member who is so interested in serving his community.

MR. RICHARD E. FLETCHER is another one of Eastern's new school board members. He works out of Indianapolis as an iron worker. His main hobby and enjoyment is caring for his wife and children - 3 girls and 1 boy. He also enjoys fishing, organic gardening, and antiquing furniture.

MR. ED KNARR is a principal's principal! He's firm, decisive, and energetic. He's respected by the staff because he backs them. He has devoted his teaching and administrative career to the betterment and expansion of Eastern Hancock's school and curriculum. There are few people who would give their time and energies to the capacity that he does for Eastern.

Eastern's new vice-principal is HOWARD MANDEL. He received his Bachelor's and Master's Degree from I.U. He is licensed to teach Business Ed. and Ph. Ed. He has coached wrestling, football, and track. He previously taught at Greenfield Middle School and Hancock Central. His duties here at Eastern are many: discipline, curriculum planning, scheduling, transportation to extracurricular activities, and helping with teacher evaluation.

ROBERT TAYLOR has been associated with Eastern for 22 years. He teaches chemistry, and is one of the school's counselors. Beside counseling he is responsible for supplying information about colleges and college entrance exams to the students. He also obtains vocational and armed services information. If this isn't enough you will see him keeping score at the wrestling meets and sponsoring the National Honor Society.

NOLA GLENN has been one of Eastern's counselors for 36 years. She actually counsels 7th, 8th, and 9th grades, but she is more than willing to help anyone who feels comfortable talking to her. Now she teaches vocations, but she has taught all grades but the second at one time or other. She is very happy with her job and we hate to see her retire at the end of this year.

EVELYN PORTER has been at Eastern for 9 years. She is Mr. Mandel's secretary and the cafeteria coordinator. She also functions in chaos by getting the attendance sheets out early to the staff, sorting all the mail, and fixing up the students who come in with bruises and scratches. Even though her job is harassing, she is very happy with it, and she is also a very valuable member of Eastern's staff.

For 11 years GWEN PEACOCK has been Mr. Knarr's secretary and Eastern's bookkeeper. She operates amid confusion by answering phones, taking and relaying messages, and making appointments for Mr. Knarr. She enjoys her job very much, and she enjoys working around the students. She said she missed the students very much when they were at Charlottesville due to the snow. She is an invaluable member of Eastern's staff.

MYRA BALDWIN is a very interesting business teacher. She's a perfectionist when it comes to her business courses. She runs Business Lab just as an employer would, to give the girls first knowledge and experience in the business world. Her hobbies are reading, writing, and traveling with Mrs. Bishop and Miss Barnes.

Mrs. Baldwin graduated from Ball State and has been teaching for 11 years. She sponsors the Junior Class, Newspaper Staff, and O.E.A. MISS SUZANNE BARNES has been at Eastern for 7 years. She teaches 7th grade and Senior English. She is sponsor for the yearbook and is responsible for the insanity of the yearbook staff members to whom she is known as "Mom." Miss Barnes is respected by the entire student body. She is well known for her quick wit and flippant remarks.

MR. CHARLES BEAVER teaches Jr. High Math. He coaches Jr. High football and track. He is known for his cool headedness in class but most of all he is known for his corny jokes. He is a good teacher and a nice person. He has the compassion that is needed when it comes to relating to students of junior high age.

MRS. JANE BISHOP has been a member of the Eastern Hancock faculty for two years. She teaches Accounting I, II, and III, and Office Practice. She is a senior sponsor along with Mrs. Jones. To the students who have had the pleasure of her teaching, she is highly respected and fondly thought of. She has been a lot of help in all of the Business Courses dealings. She is an intriguing, witty, and determined person who has a great laugh, but a nice serious side.

RON BOCKEN has been at Eastern since 1962. He is a P.E. Ed. and is the head basketball coach. He has led the team to two Sectional Championships and one Sectional title. He is the coach because he was going to a different country in Eastern Europe to help run the Venture for Victory program.

CARLIN BRANDT is the vocational education teacher at Eastern. After serving here at Eastern Hancock High School, Mr. Brandt went on to the University of Indiana, and then joined the Air Force following graduation. He became a flight instructor in the Air Force.

In 1965 he became a teacher at Winton High School where he taught for five years, he returned to Winton in 1970. Since then he has been in the Eastern Hancock school system ever since. This has placed Mr. Brandt at the top of the list of teachers.

For all that have been fortunate enough to know MRS. NANCY BROWN, to have become a part of her world, you would have to agree it was her precious smile that welcomed you. Mrs. Brown has been teaching here at Eastern Hancock for

She is the coach of G.A.A., V-ball and tennis and sponsor of Jr. High A.A. Never in her two years here at E.H.H.S. has she been known to come to school without her light shining bright. Her everlasting smile and old sense of humor makes it a pleasure to be with her.

MRS. DENISE DENNIS is a very special person because when she came to Eastern Hancock she brought many talents with her. She not only takes interest in the

s she sponsors, but in Eastern Hancock as a school. She is a very devoted Pom Pon choreographer in which she takes many hours in helping us make our routines perfect. She is a graduate of Ball State University. Her hobbies are dancing, golfing, winning Pom Pon contests, and going to Florida. Even though Mrs. Dennis has many hobbies, she spends most of her time ordering patches and uniforms for the Pom Pon girls and Cheerleaders. She then spends hours sewing the patches on and hemming the uniforms. Mrs. Dennis has many hobbies, but she spends most of her time starting new projects and finishing them successfully.

MIKE FIELDS is in his fourth year of teaching here at Eastern Hancock. Mr. Fields teaches eighth grade math and Algebra I. Mr. Fields works at putting excitement, so to speak, into what could be a potentially boring subject in order to keep the interests of his students. Mr. Fields also coaches reserve football and is head baseball coach. Mr. Fields has put in countless hours of work on our baseball diamond, earning much more than just a salary, and deserves much of the credit for building last year's baseball team into a sectional championship. Eastern Hancock needs more people that are as dedicated as Mr. Mike Fields.

MR. JOE EISENHUT, Mr. "E" is the Eastern Hancock band director. He is a trumpet player in a group called the "Continents." He graduated from Butler University. He taught at Morristown for nine years before coming to Eastern Hancock. It has taken us time to adjust to a new director, but we have gotten to know him and like him before too much of the year has passed. We respect him and are backing him in all the band activities.

JEFF GLASCOCK has taught high and junior high school Industrial Arts for 10 years. He enjoys working with both age groups and especially the students who are really interested in learning. His hobbies are photography, woodworking, and camping. He and his wife, Beverly, have 2 daughters - Shannon who is 1 years old and Jennifer who is 2 years old.

JUDY GRASS is a Home Economics teacher. She also is in charge of Junior High Cheerleaders and she aids Mrs. Dennis, the Pom Pon sponsor in making the uniforms for the Pom Pon and High School Cheerleaders. Mrs. Grass is in charge of the Bachelor Arts Class. In this class boys learn about domestic science. Her class has gained such notoriety that the GREENFIELD REPORTER published an interview with two of her Bachelor Arts Students. Her domestic science ability is to be envied because she is very much a perfectionist.

RANDY GRASS teaches typing, business math, and Phys. Ed. He is appreciated for his sense of humor and this makes his classes more enjoyable. He coaches eighth grade football and basketball. He referees several G.A.A. sports and is a valuable supporter of E.H. athletics.

MR. DAVE HOLMAN is a biology teacher, the reserve football coach, and the varsity wrestling coach at EHHS. He has taught at EH for 7 years. Dave is devoted in all aspects of school life, from teaching to coaching and even to clowning around at school pep sessions. He's a man you can talk to and confide in. He has a good sense of humor and gets along with students. It's very rare when you can find a teacher and a friend, but he's both.

KEN HOLMES, commonly known as "Sir" and "Stretch," teaches Geometry, Advanced Algebra, Trigonometry, and Physics at our fair school. His "desk-side" manner, salted with an acute wit, is truly unique. Never does he miss an opportunity to add general confusion to the classroom atmosphere. Sitting in on his class is an experience you should not miss. One rule of thumb to those of his pupils: Expect the unexpected and be certain of nothing.

MR. DARRYL HOOD has been associated with Eastern for 10 years. Mr. Hood is actively teaching junior and senior high general science classes. He sponsors the Student Council and helps plan many student body activities. Mr. Hood is well respected and liked as a teacher. He's a part-time comedian and magician and plays guitar in a band. His knowledge makes his classes educational and his jokes and magic tricks make his classes enjoyable.

Eastern Hancock's drama club sponsor, MR. ROBERT JEFFORD is in his third year here at Eastern. In addition to the directing of drama productions, Mr. Jefford teaches seventh grade and senior English, and sponsors the Junior class. With drama club and work on the prom, Mr. Jefford puts in countless hours after school for the good of our students.

Receiving her degree from Indiana University, MISS CAROLYN JOHNSON has taught physical education at Eastern Hancock for the past 9 years. She is an active sponsor of G.A.A. and is known as "Coach." She has devoted a great deal of her time to the expansion, development, and recognition of G.A.A. Developing close relationships with many students is a rare quality which she possesses. Seeing students reach their goals gives her great satisfaction.

REED JONES performs many duties - teacher, counselor, sponsor, friend, and listener. He teaches Government, Sociology, and Earth Science, and is counselor, sponsor, friend, and listener to the Seniors. He is not only responsible for graduation, but all senior-related activities. He judges each person as an individual and is open-minded and fair in his dealings with each individual.

MR. DAN KOENIG is a graduate of I.U. and Purdue. He has taught math and social studies, been an A-V coordinator and librarian, and for the last 2 years. He's been the director of the Media Center here at Eastern. His hobbies are motorcycling, swimming, sailing, tennis, and photography. He's director of a private camp in New York State and is counselor of Hoosier Boys' State for the American Legion during the summer. He's an active man with varied interests and accomplishments.

DON LAMBERT is Eastern's head football coach, and this year he coached the team to the District II playoffs and the co-conference championship. He was very proud of his boys this year and wrote an excellent write-up about his team. He doesn't limit himself to just football. He can often be found announcing, keeping time, and marking distances for wrestling, track, and cross-country. Mr. Lambert teaches 8th grade language arts and sophomore English.

MR. STEVE LANDRUM has been associated with EHHS School Corporation for 8 years. He is currently the Athletic Director, and football coach for the 76-77 football season. Mr. Landrum teaches U.S. History to all juniors. He also teaches World History and Driver Training. He is respected and thought of as one of the counties leading Civil War experts. He attended Indiana State and received his Master's at Ball State.

JAMIE MAXWELL has been one of Eastern's Industrial Arts teachers for 6 years. The classes he teaches are Hot Metals, Electricity, 8th grade Mass Production, Plastics and Ceramics, and Power and Transportation. Mr. Maxwell enjoys teaching both the high school and junior high. He'll always be remembered for his famous saying, "Keep your nose clean, boys." Besides teaching Mr. Maxwell hunts and farms.

TERE MOLINDER-HOGUE is a dramatic, energetic, quick-witted Freshman and Senior English teacher. She is known for her dry sense of humor and keeps the classes on their toes. She aids Mr. Jefford in the drama productions by making the costumes. She is one of the Freshman class sponsors. This is her second year at Eastern, and we hope she'll be around many more because she is a valuable asset to the teaching staff.

CHERYL MUMAW teaches sophomore English and German I and II. She sponsors Tri-Hi-Y and the Model U.N., coaches Girl's Softball, and plays the piano for our musicals. She has taught here for [REDACTED] years and is satisfied with her job. She majored in Music at Oakland City College and received a B.A. in German from Indiana State. Her hobbies are playing the piano, bowling, and sewing, and she belongs to a bowling league.

MR. LYNN SHULTZ has been teaching art at Eastern for the past [REDACTED] years. He graduated from Ball State with a B.S. in Art Education and a minor in Physical Ed. He served in the National Guard where he was stationed in Panama, Viet Nam, California, Georgia, and Florida which he considered vacations?! Along with teaching art, he coaches our tennis and baseball teams and is the Drama Club Assistant and Director of the Junior High and High School Arts Clubs. His favorite sports are golf, football, basketball, canoeing, and bicycling.

ROBERT WAMPLER has taught at Eastern Hancock for the last 14 years. He teaches English and Spanish during the school year, and teaches Health and Physical Education during the summer. He is a graduate of Indiana University, getting his B.S. in 1954 and his M.S. in 1964. He has coached track for 10 years, and Cross Country for the last 5 years. His hobbies are refinishing wood and painting.

BILL WEBB is the sponsor for the H. S. Model UN United Nations. For 5 years he has been an avid participant in the Model UN, encouraging our students to take an active part in the national competition. He is one of the 7th grade sponsors. He teaches 7th grade social studies and high school world geography.

GORDON WHEATLEY is the director to our Swing Choir and teaches 7th grade general music. He is a man to be respected for his knowledge of beautiful, complicated music. Mr. Wheatley has increased the students understanding of music extensively. He has taught the correct way to sing and read music. This year Mr. Wheatley had a very successful turnout at the Noblesville Contest bringing home 8 first place divisions. He has also helped with the vocal parts of our play productions which has been very valuable to us.

MR. JOHN GIBBS is teaching 8th grade social studies for the rest of the year. He graduated from I.S.U. in 1976 with a B.S. in Speech and Drama and a minor in Phys. Ed. He likes the job here because he believes our students are interested in learning and the staff has made him feel right at home. He is married and has 2 boys. His hobbies are reading, square dancing, and athletics.

MRS. DONNA FLOREA is the treasurer for Eastern Hancock. She lives in Wilkinson and works at the Superintendent's office. She has worked there for five years, and she says she really enjoys the challenge. She has very little spare time but when she has any, she likes to play the piano and read. Mrs. Florea would like to thank Mrs. Ethel Rozzell for the time and experience she has given to aide in the understanding of her job.

MRS. MARILOU HOLLIDAY is the Superintendent's new secretary. She would also like to thank Mrs. Ethel Rozzell for being a consultant. Mrs. Rozzell worked for Eastern for 21 years, and Mrs. Holliday has only worked for the corporation for three months. With her two children she has little spare time, but she does like to listen to music, read, and play the piano.

BETTY BOFSE has been running Eastern's bookstore for the last 6 years. She's done an excellent job in everything from keeping track of funds and books organized in grades to collecting picture money and making change. She has a hectic job - especially when the buses arrive. Everyone appreciates her pleasant attitude and great patience.

MRS. DOTTIE MACY's nickname is "Mom" to her library companions and her family. She enjoys being with students and she is well respected for that. She has been here for seven years and is very knowledgeable on the uses of the library. She says the highlight of her life was getting married and raising her family. You can usually see her after school at any activity that her family is involved in.

KATHY TOLODAY is one of our library aides. Her work is classed as secretarial however, her duties are various. She aids students in locating material and researching sources, is in charge of the charge desk and magazine room, does floor supervision, and helps run the Xerox machine. This is her second year at Eastern and she enjoys her job and the students equally well.

Without BOB KIDWELL, our school could not function. He's the one who is here in the early dawn hours to open the building, turn up the heat, and clear the drive. He makes the building livable. He is one of the most popular men here. You'll always hear his name called (several times) on our intercom during the day. He's here by popular demand. For his job he has to be a jack-of-all trades.

MARY POWERS has had a vital position at Eastern for the last 11 years - she keeps the laundry going. She likes her job because she enjoys being around the kids and staff. She doesn't like to work on vacations, so her schedule is just right. Her hobby is bowling, and she enjoys her 4 children and Bob and her 5 grandchildren. With Mary's pleasant laugh and smiling face we enjoy seeing her everyday.

MR. DALE YOUNG is Eastern's new custodian. He previously worked for the City of Greenfield as an employee of the Street Department. He likes his job here because of the variety - he's not doing the same thing all the time, and he thinks the school is very nice. He lives in Charlottesville, is married, and has 3 children. His hobbies are hunting and fishing. We are glad to have Mr. Young working here.

MARGE GRASS started working for Eastern when the high school was completed. She enjoys working around the students and staff. Her main hobby is collecting salt and pepper shakers, and although she has never bowled, she loves to learn. She has 2 sons and 4 grandchildren that she cares for very much. We enjoy having her here.

MARIETTA PIERSON has worked for Eastern for 4 years. She enjoys cleaning. Her hobby is crocheting. She has 3 grandchildren - 2 boys and 1 girl - which she is very proud. She's a very pleasant person to have around and we enjoy seeing and talking to her every evening.

BARBARA ROBERTS has been working in the cafeteria of Eastern Hancock for about 2½ years. She is one of the cashiers. Her job is a demanding one. She not only works under a great deal of cafeteria rowdiness and confusion, but she is also under a severe time factor to keep the lines moving swiftly so everyone can have their lunch and get to class on time. We thank her for a job well done.

ANITA O'NEAL has been one of Eastern's cafeteria cashiers for 2 years. She graduated from high school in Booker, Texas and has a B.S. in Elementary Education from Friends University in Wichita, Kansas. Her husband is a minister so she is very active in the church. She is the Youth Director at the Friends Church, a member of the United Society of Friend's Women and teaches Sunday School Class. She is a very active person who gives piano lessons, does upholstering and wood working, and loves to cook and sew.

CHERYL COOK is 1 year and a half and she really enjoys all the cafeteria's of School Food and Nutrition. Her job requires a

EVELYN TRULOCK has had 14 years in Food Service all together. She said she didn't know how much she really did like her job until we were out of school so many days because of the snow. FOOTBALL

The 1976 football team had two major objectives - to win the conference championship and to participate in the state playoffs. We attained both objectives.

The gridders equaled the school record of eight season victories and broke numerous individual and team statistical standards.

My personal recollections of 1976 will be more than statistical. A famous professional coach was quoted as having said, "Winning isn't everything. It's the only thing." To coach Vince Lombardi, "Winning" was doing your best, giving your best effort, not just outscoring your opponent. By this definition, as well as the more traditional one, the 1976 Royals were winners.

I would have enjoyed being the coach of a state championship team, but our disappointing and undeserved loss to Sheridan is not unacceptable because we put forth a great effort. I hope the team feels, as I do, that we didn't really lose, we just ran out of time.

The season is especially memorable because of the effort of Dennis Bricker, the super attitude of Bob Mascoe, the words of Bob McDaniel, to his teammates after the Sheridan loss, and the splendid character of our entire squad. Each member of a football squad contributes to the success of the Friday night effort, and I appreciate that contribution from those who did not get much playing time, but made our preparation for games possible.

The efforts of Coach Steve Landrum were obvious to all of us associated with the football program and are greatly appreciated.

TENNIS

The tennis team surprised a few of our opponents this year. We lost five regulars from last year's team, which compiled a 11-1 record. This was supposed to be a rebuilding year, but we finished the season with a 7-3 record and fourth in the conference.

The team was led by five seniors Joe Rhodes, Steve Campbell, Doug Hardy, Terry Wicker, and Steve Mayer. Terry Wicker and Steve Mayer lost only one regular season match as a doubles team.

I believe next year we will have another successful season even though our team will be short on experience. We will have several very competitive reserves back.

BASKETBALL SEASON

Our basketball team this year compiled a winning record of 15 wins and 6 losses. The team was led by two outstanding seniors, Bob McDaniel and Joe Rhodes. Bob averaged 19 points per game while shooting 65% from the field and 11 rebounds per game. Joe as a point guard handled the ball most of the time and averaged 14 points and 3 assists per game. Two other seniors started and certainly contributed to the success of this year's team. They were Dale Macy, who pulled down 10 rebounds per game, and Jon Cain, who led the team in free throw shooting with 75% accuracy from the foul line. Steve Mayer and John Jordan both came off the bench to contribute with good rebounding and good shooting. Two juniors who improved greatly over the course of the season were Chris Snider and Joe Martin. Both played above expectations and showed signs of a promising future. Chris averaged 2 steals and 4 assists per game.

CROSS-COUNTRY

Eastern's cross country team had a successful season in 1976. The team had a winning record and was very competitive in all meets.

The team will lose four excellent runners this year due to graduation. They are Wayde Veach, Mark Tompkins, David Spangler, and Mike Toon.

Wayde Veach and Mark Tompkins were the leading runners on this team. Wayde was the team's number one runner, but Mark finished first for the team several times. Wayde was All-Conference for the second consecutive year. - Coach Wampler

WRESTLING SEASON

Everyone knows about football because little boys are always playing sandlot games on a vacant lot. Everyone knows about baseball because of the same reason. Everyone knows about basketball because every little boy grows up with a basketball goal in his backyard. More and more people are learning about wrestling. When I began attending the State Final Wrestling Tournament in 1961 there may have been 500-1000 fans attending. This year there were probably between 8000-9000 fans there.

The Indiana State High School Wrestling Tournament began in 1922 and consisted of a one day tourney with 7 schools participating. This year 312 schools and 4,056 wrestlers entered 64 Sectionals, 261 schools qualified 1,664 wrestlers for 16 Regionals; 176 schools qualified 416 wrestlers for 4 Semi-States; and 74 schools qualified 104 wrestlers for the State Final Tourney.

Wrestling is the oldest sport known to man and it has been called by many the most grueling sport of all. To give an idea of what it takes for an individual to win the State Championship here is the format. The day of the Sectional a wrestler must wrestle his first match at 9:30 A.M., his second match at 2:30 P.M., and his third match at 7:30 P.M., all in one day! If he wins, he goes through the same thing at the Regional the next week with much tougher competition against other Sectional Champions. The next week he goes to the Semi-State for 3 more matches against other Regional Champions and finally on the fourth day of this ordeal he must wrestle 3 other Semi-State Champions any of whom could win. At this year's State Finals many of the 13 state champions were determined by a single point and some by overtime matches. Much credit must also be given to the team who can stay in tact enough over this month long elimination process to win the team championship.

Wrestling is not a sport for everyone. Many people dislike it because they do not understand it. Many athletes do not participate in it because they do not have the courage to make the physical sacrifices the sport requires or do not have the courage to "put in on the line" with no other teammates to hide behind or to blame for mistakes. During a match a wrestler must go for 6 minutes as hard as he can go with no time outs and he wins or loses on his own merit.

GOLF

The golf team this year was led by senior Dan Willis who shot consistently in the low 40's. The brother combination of Jeff Greenwalt, Sophomore, and Lynn Greenwalt, Junior, both averaged in the upper 40's. Playing fourth man most of the season was a freshman with much potential, Brad Hufferd. Rounding out the squad and averaging over 50 was Joe Holt, Senior, and David Webb, Junior.

The best that we shot all year was against Tri High in the dual meet and in the Eastern Hancock Invitational. We scored 182 in both matches. The rest of the season we shot in the upper 180's to 200. The team this year was quite young and will improve considerably over the summer.

Danny Willis led the team.

Half of the brother team - Lynn Greenwalt.

The second golfer in the family - Jeff Greenwalt.

TRACK

The accomplishments of this 1977 track team were many. The season record was 13 wins and only 1 loss in dual competition. Five individual records were broken (some of them several times during the season). Four members of the team, Jay Wisehart, Monte Conley, Rusty Low, and Chris Snider were BBRC All-Conference selections, and the team won the BBRC Track and Field Championship Meet.

The seniors on this team will be sorely missed by next year's team. They not only were an outstanding group of athletes, but they were excellent leaders also.

BASEBALL

The 1977 Baseball Season has had its ups and downs as it had to rely on only two seniors with the remainder of the squad underclassmen. There has been a great deal of individual improvement on the part of everyone, but unfortunately the win-loss record doesn't always show this. Hopefully, everyone will be in top form by sectional time so the Royals can make a successful defense of their 1976-77 crown.

Coach Fields looks on.

ACTIVITIES

FFA 1976-77

This year I had the pleasure of attending the FFA Banquet. It was quite an enjoyable evening for many reasons.

The officers did an impressive job of running the meeting, explaining their offices, and acting in a very dignified manner. The banquet, that was prepared in part by the boys, was delicious. The most outstanding part of the evening was the presentation of the awards. It's amazing to find out how many of them excel in so many different areas. The Parliamentary Procedure Team that consisted of G. Hall, D. Thackery, D. Love, J. Holt, D. Oakes, P. Lewis, G. Lawyer, R. Love, D. Wilson, C. Clark, and E. Noonan received a second in the district, and each member received a bronze medal. Cindy Clark received the Star Greenhand Award. Joe Holt and David Glascock received Senior Plaques for the Judging Exhibit. David Glascock, J. Holt, and D. Thackery received certificates for their exhibits that placed 6th in the district. Cindy Clark received a Bronze Medal for being 4th in the district in the Creed Contest. Gary Lawyer and Ellen Noonan received a Silver Medal for being 2nd in the district in the Quiz Bowl. Silver Medals went to R. Ramsey, J. Martin, G. Lawyer and D. Shoufler for being 1st in the county, 1st in the district, and 17th in the state as the Livestock Judging Team. S. Wolski, W. Veach, and D. Thackery received Gold Medals for tying 1st in the district and 4th in the state on the Tractor Trouble Shooting Team. D. Glascock, D. Thackery, R. Love, E. Smith, and D. Oakes each placed in the district on the Crop Judging Team. G. Hall, D. Thackery, G. Lawyer, R. Love received Bronze Medals for being 2nd in the County and 6th in the district. Gary Lawyer received a trophy for 1st individual in soil judging. P. Engleking, M. Hull, E. Smith, and C. Clark received certificates for being 3rd in the county on the Dairy Judging Team. And last, but we haven't decided if he's least or not is Greg Hall, who received the Star Charter Farmer.

Thanks for the invitation

CHEERLEADERS

The Eastern Hancock Cheerleaders have the job of supporting all our teams in athletics. They show much spirit and work very hard not only by leading the cheerblock in yells at the games, but throughout the week by practicing yells, planning pep sessions, making signs, etc. On weekends you may find them having bake sales, car washes, sock hops and many other money making projects.

The Varsity and J-V squads attend NCA Cheerleading Camp at Vicennes during the summer. We are always proud of the hard work they do while they are at camp. These girls also held a public workshop for three days in July during which new yells, techniques, and spirit boosters were taught.

Over all, I felt the cheerleaders had a successful year and one with a lot of fond memories that will remain with them. - Denise Dennis

"SOUTH PACIFIC"

It is hard to describe the paragon atmosphere that existed during the many hard weeks of practice for "South Pacific."

I tried putting my finger on the substance that made "South Pacific" so successful. I then realized that it was a number of things; the fantastic cast, the stage crew, the painters and prop designers, the prop building, the lighting crew, but, most important, three very special adults, our director - Mr. Jefford, our make-up and costume designer - Mrs. Hogue, and our painter, prop builder and head stage manager - Mr. Schultz. It takes a group of very unique people to be able to put all of these things together and make them work all together.

"South Pacific" is something that should be remembered because it holds a group of people very close together. However, it should not be dwelt on because we could never re-live those moments with as much meaning and fun. I thank everyone for making such a memory mine as well as your own. - Teresa Fitch

Upon finding out about the death of Lt. Joseph Cable, Nellie tries to give comfort to Liat.

Nellie Forbush meets Emile de Beque's Polynesian children.

The sailors do a kick line while singing "There Is Nothing Like a Dame."

Cast and Crew of "South Pacific"

Luther Billis poses as Honey Bun at the end of song.

No, I sing "I'm gonna wash that man right out of my hair."

The sailors sing "Blowzy Mary is the girl I love," while Steeves is dancing with Mary.

Captain Brackett yells at Luther Billis. Lt. Harbeson listens contently.

THE ROYAL DECREE STAFF

The 76-77 yearbook staff has enjoyed this year to the fullest. We have become as close as a family, and we have succeeded this with harmony between us. For 11 people to get along this well together seems more like a dream than reality. We still got our jobs done while having such a good time, and it is quite an accomplishment to achieve both.

We will always remember the good times that we've had, and we're sure there will be many more to come. Looking back on the past year we will recall our picnics, dinners, and parties; Jay and Greg being papered up in the darkroom and both their birthdays; Lou for her "Trans Wilson Airlines" and "I'm going to beat you;" Teresa for her sweetness, being a little tipsy and a reckless driver; Karen for her aching back, typing to songs and "Shut up, you;" Pam for being "Peter Pan," her birthday, and "If I were just a little bit closer;" Judson for being our living commercial; and Mom for both her birthday celebrations, her slight case of insanity, and "I'm going to cut your heart out with a plastic knife!"

We would like to say thank you to our Mom, Miss Barnes, for the wonderful times and deep impressions you have given us to treasure.

P.S. We would like to say a special "Hi" to Uncle Doug and Aunt Jeannette. We will always remember them for the whipped cream and deviled egg.

THE ROYAL DECREE STAFF

Being editor of a yearbook for several years you begin to think that most staffs are just about the same but nothing is further from the truth. This year's staff has been truly exceptional. They have worked harder, accomplished more, caught up quicker, planned and organized more than any other staff I've ever known, and they have had more fun accomplishing these tasks than any other staff. They've become a very close knit family to which I've had the privilege of being the Mom. To my kids - John Jay, Gregory George, Sweet Teresa, Nellie, Baby Sassy Karen, Wally, and Pammy I want to express the warmest congratulations on a job well done, and the most enormous "thank you" for an enjoyable, fun, exciting year that I hope none of us will ever forget.

NEWSPAPER STAFF

This year's newspaper was unique in many different ways. The senior interviews added much to the paper by giving us information about them. The sports articles were well-written as were the rest of the articles. Credit should be given to the Editor and Co-Editor, Donna Applegate and Kathi Anderson, for the time and work done on the paper. Thanks to our sponsor Mrs. Bishop for her leadership, and contributions to the paper.

O.E.A.

The O.E.A. organization has been rather busy this year. The officers for this year are Penny Kinder - President, Jeanine Heath - Vice President, Patty Roberts - Secretary, LouNell Wilson - Treasurer, Sandy Rozzell - Parliamentarian, and Carol Doolittle - Reporter Historian.

The girls went to a contest at Broad Ripple for the District competition. Barbara Dunlavy and Patty Roberts went to State Contest in Indianapolis at the Hilton for a weekend in which Barbara placed 6th in General Clerical II and Patty placed 4th in Stenography I which qualifies her for the National Contest in Houston, Texas.

The girls had an Advisory Banquet given to the seniors and the Advisory Board by the juniors. In May, the girls are having a banquet to honor the Mothers.

We would like to thank Mrs. Bishop and Mrs. Baldwin for an active and memorable year.

1976-77 STUDENT COUNCIL

The Student Council has sponsored a great many activities this year. On October 15 during a football game with Indiana Creek we sponsored Dad's Night where each football player and his father were recognized. Again we held the Sports Queen Contest. This year we elected Lori Nell Wilson and presented her with her crown. All of the participants received carnations. We sponsored several sack hops and convocations presented to the student body. We are sorry that we could not have done more, but, like everyone else the winter storm caught us short.
